### Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

### Procedure for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181 (b) (1) provides that an application for a patent shall not be published until 18 months from the date of filing. The Secretary of the Department of Defense may, at his discretion, delay the publication of an application for a patent in a field of invention in which the disclosure of the invention would be injurious to the national defense. The application will be published for publication 18 months from the filing date, unless the Secretary of the Department of Defense, in his discretion, determines that the application should not be published. The Secretary of the Department of Defense may, at his discretion, delay the publication of an application for a patent in a field of invention in which the disclosure of the invention would be injurious to the national defense. The application will be published for publication 18 months from the filing date, unless the Secretary of the Department of Defense, in his discretion, determines that the application should not be published.
